Elixinol Global Limited to commence trading on the OTCQX Market in the United States

Elixinol Global Limited (ASX: EXL, OTCQX: ELLXF), a global company operating in the industrial hemp, dietary supplements and emerging medicinal cannabis sectors, is pleased to announce that its ordinary shares will commence trading on the “OTCQX Best Market” in the United States under the symbol “ELLXF” when the US market opens on Tuesday, 18 September 2018. Trading on OTCQX will operate in parallel to the Company’s ASX listing, where Elixinol Global trades under the ticker code EXL.

The OTCQX Best Market is reserved for established, investor-focused non US companies already listed on a qualified international stock exchange, such as the Australian Securities Exchange (ASX), and allows companies to use their primary exchange reporting for compliance. US investors can find information and Real-Time Level 2 quotes for the company on www.otcmarkets.com.

“We are proud to join OTCQX which will enable Elixinol Global to provide US investors with timely news and information to help them better analyse, value and trade our securities,” said Paul Benhaim, CEO. “Trading on OTCQX is part of our broader strategy to significantly increase the awareness of EXL in the US market, particularly as consumer interest is expanding rapidly across the areas of hemp-derived CBD and dietary supplements” he added.
